

# **Dwight A. Bickel Curriculum Vitae 2024**

Mr. Bickel graduated from the University of Washington Foster School of Business in 1975 and earned the degree of Juris Doctor in 1978 at the University of Puget Sound School of Law, now known as Seattle University School of Law.

Dwight retired in May of 2019 as the Northwest Region Counsel for the Fidelity National Title Group supporting all its title companies and their agents in six states. He has been privileged to serve the real property industry by speaking at seminars, by writing essays and by appointments on various committees for both title associations and real property bar associations.

Presently Dwight Bickel provides legal services for the public limited to residential real estate. Working with real estate brokers, Dwight meets with purchasers to identify title issues, to explain the title report, to explain title insurance coverage (and its limitations), to inspect the land regarding unrecorded easements and encroachments, then to provide legal advice regarding their purchase. Dwight also meets with sellers and their brokers to cure title defects and identify challenges to the closing. If needed, Dwight also can assist the parties to change the title vesting, or to negotiate and possibly to mediate disputes with neighbors about easements, covenants, or boundary improvements.

Mr. Bickel is also available as a consultant to real estate professionals and attorneys to assist with real estate transactions and to act as an expert supporting litigation related to real property title and title insurance coverage.

Dwight's experience gives him specialized knowledge of title insurance coverage, escrow duties and requirements for compliance with state and federal regulation of the title industry. His past transaction work also has given him specialized knowledge regarding boundary disputes, easement rights, foreclosures, mortgage modification, workout agreements and bankruptcy.

For many years, Dwight Bickel was the Legislative Committee Chair for the Washington Land Title Association, was a member of its Board of Directors for many years and was its President in 2006. For fifteen years until his retirement, Dwight was a member of the Forms Committee of the American Land Title Association responsible for developing new title insurance forms for use throughout the United States. Dwight is an approved instructor for education credits for lawyers, limited practice officers and real estate brokers.

## **Education:**

### **University of Puget Sound**

#### **Juris Doctor**

1975 – 1978

After my graduation, this Tacoma, Washington, law school was sold to, and changed its name to, Seattle University.

### **University of Washington - Michael G. Foster School of Business**

#### **BA in Business Administration**

1971 – 1975

## **Recent Employment Experience:**

### **Northwest Regional Counsel Fidelity National Title Group**

Nov 2011 – May 2019  
Seattle, Washington

The Regional Counsel is responsible for approval of underwriting decisions (evaluation and acceptance of risks for title insurance coverage) originating from the direct and agent title companies that are underwritten by Fidelity National Financial in the six Northwest states of Alaska, Idaho, Montana, Oregon, Washington and Wyoming.

The Fidelity National Title Group in those states includes Fidelity Title, Chicago Title, Ticor Title, Lawyers Title and Commonwealth Land Title. Based from the Seattle office of Chicago Title at Columbia Center, I worked in collaboration with the various State Counsel and other underwriters located throughout those states. I reported to the Chief Underwriting Counsel at the company's headquarters, and worked with his senior staff located throughout the United States, Canada and India.

### **Corporate Counsel and Senior Vice President Rainier Title**

Apr 2009 – Oct 2011  
King, Snohomish and Pierce Counties, Washington

I served many different roles to support this large title company with operations in three Puget Sound counties. I was its advisory title officer, the "go to person" for answers for the escrow operations, and the assistant to the marketing personnel for customer contact and educational seminars. I also acted as General Counsel advising the management on all matters and representing it in litigation.

Rainier Title Company was an agent underwritten by Stewart Title Guaranty [<http://www.stewart.com/>] during the period when I was its counsel.

In August of 2010, I invested as a minority owner of Rainier Title LLC, participating in all owner meetings and discussions. I sold that ownership interest back to the other owners in July of 2014.

In October of 2011, I left this company and assumed my prior role as Regional Counsel for the Fidelity National Title Group. In 2018, Rainier Title became a title agent supported by me as its underwriter again.

### **Counsel and Vice President Transamerica/ Commonwealth Land/Lawyers/LandAmerica Title Insurance Company**

Jul 1987 – Jun 2008

Initially I was hired as Vice President and counsel for Transamerica Title, responsible for risk underwriting, escrow advice, employee training and claims management for the direct and agent title companies within the state of Washington.

Other than a brief hiatus in 1997 when I worked as a title department manager for Evergreen Title (a local agent of Transnation in two Puget Sound Counties), I continued to work in changing roles for this company as it was acquired by Commonwealth Land Title, then both were acquired by Lawyers Title, then all three operated as LandAmerica. Later, Transamerica changed its name to Transnation, then Transnation Title was merged into Lawyers Title by LandAmerica to reorganize its subsidiaries on June 30, 2008.

The last chapter of my role for Transamerica/Transnation/LandAmerica was as Regional Counsel for Fidelity National Title after it acquired all the title companies that were operated as LandAmerica in 2009. See my experience listed at those companies for later details.
